

**A REVOLUTIONARY HYBRID IN ARC FLASH PROTECTION
INTRODUCING THE NEXT GENERATION IN ARC FLASH
HEAD PROTECTION.**

Salisbury by Honeywell's revolutionary Lift Front Hood is a unique hybrid combination hood that is lighter and more comfortable to wear than a standard arc flash hood. The combination of a wider face shield and transparent chin guard more than doubles the vertical peripheral vision one would experience while wearing a standard hood and offers the user greater outward visibility and access to natural light.

The Lift Front Hood is comprised of 60% less fabric than standard arc flash hoods. This reduction in fabric allows for more natural head movement and eliminates the need for frequent hood adjustments due to shifts in the excess fabric.

In addition to increased visibility and comfort, the Lift Front Hood offers an extra level of safety protection for the user as it allows for increased breathability. The industrial bracket design creates a natural ventilation system that allows carbon dioxide and heat to escape as it rises from the body.

Lift Front Hood's visibility, fabric weight, breathability and lifting features make it a pioneer in the fusion of comfort and safety in arc flash protection products and Salisbury by Honeywell is proud to take the lead in introducing this revolutionary product to the marketplace.

Breathability matters. According to OSHA, workers are at greater risk of heat stress while using bulky or non-breathable protective clothing and equipment.

If the body cannot get rid of excess heat, it will store it. When this happens, the body's core temperature rises and the heart rate increases. As the body continues to store heat, the person begins to lose concentration and has difficulty focusing on a task, may become irritable or sick, and often loses the desire to drink. Exposure to heat can also increase the risk of injuries because of sweaty palms, lens fogging and dizziness.

CAT NO.	DESCRIPTION
LFH40	40 cal, 2 layer, 9oz/yd ² over 9oz/yd ²
LFH40-FL	40 cal, 2 layer, 9oz/yd ² over 9oz/yd ² includes two ASFL and two FLCLIP
LFH40PLT	40 cal Premium Light Weight, 2 layer, 5oz/yd ² over 6oz/yd ²
LFH40PLT-FL	40 cal Premium Light Weight, 2 layer, 5oz/yd ² over 6oz/yd ² includes two ASFL and two FLCLIP

ACCESSORIES

ASFL	Attachable Task Light (1)
AS12CLIP	Replacement Clips Set (2)
FLCLIP	Attachable Task Light Clip (1)
FLKIT	Attachable Task Light (1) & FLCLIP

FLKIT

FLCLIP (1)
